Scholarships and Awards for International Students

“The University of Canterbury recognises that international students enhance our campus environment by sharing their unique cultures and values with other students in the classroom and with people throughout the wider community.”

- Dr Rod Carr, Vice-Chancellor, University of Canterbury

\$80,000 towards your Undergraduate Studies

Value: NZ\$80,000 (NZ\$20,000 per year for up to four years); 24 awards available each year.

These scholarships recognise and support top-achieving international students who have just graduated from secondary school and have been accepted to a pre-degree or undergraduate degree programme at the University of Canterbury. Conditions apply – please go to the website below for full details.

UC Undergraduate Entrance Scholarship

Value: NZ\$1000 – \$3000 cash for first year of undergraduate degree at UC.

Scholarships are awarded based on CIE or IB grades or equivalent. Conditions apply – go to www.canterbury.ac.nz scholarships for more information.

English Language Merit Award

Value: NZ\$500 tuition credit towards an English Language or Foundation Studies programme.

One of the biggest challenges for international students is getting their English skills to a level that will allow them to fully participate in student life inside and outside the classroom. At the University of Canterbury we recognise the importance of these skills. Conditions apply – please go to the website below for full details.

International Mobility Outbound Exchange Award

Value: Up to NZ\$5000 cash; minimum 50 awards available each year.

At the University of Canterbury, we feel that every international experience is important and we encourage all of our students to take part in these experiences as much as possible. These scholarships provide support for any University of Canterbury student who would like to study for one or two semesters at one of UC's selected overseas partner institutions. Conditions apply – please go to the website below for full details.

International Mobility Inbound Study Abroad Award

Value: Up to NZ\$5000 cash; minimum 50 awards available each year.

Already studying at another university? Why not come to the University of Canterbury for part of your programme? These scholarships provide support for any overseas university student who would like to enhance their education and international experience by studying for one or two semesters at the University of Canterbury on our Study Abroad programme. Conditions apply – please go to the website below for full details.
